

We are Keller

Keller is committed to being an inclusive place to work, reflecting the world in which we operate. We encourage all of our people to realize their full potential and deliver exceptional performance.

We will continue to build on our culture where everyone at Keller has equal access to opportunities and our people advance on merit.

Our competitive advantage stems from the collective experiences, perspectives and backgrounds of our workforce. Leveraging this provides innovative solutions for an increasingly challenging environment.

“Tapping into the collective knowledge and diverse experiences of our global workforce means we can look at challenges from many different perspectives, and develop new and innovative ideas to tackle them. We’re passionate about recognising and nurturing talent, and giving everyone an equal opportunity to succeed on merit.”

Michael Speakman, Chief Executive
